October is National Domestic Violence Awareness Month.

Join us in observing Domestic Violence Awareness Month during October—and every day of the year!

Most people don't talk about domestic and sexual violence—and that may be part of the problem. Few of us understand how prevalent it is in our communities or how many of our neighbors live in fear. Sadly, survivors of domestic violence sometimes feel misplaced shame and they often don't know where to turn. But you can help.

Send a postcard to a friend or family member during National Domestic Violence Awareness Month, you can take two simple steps toward ending domestic and sexual violence.

Step 1: Send the enclosed postcards to friends or family members with a personal note. Let them know you support the survivors of domestic violence and HAVEN's important work in our community.

Step 2: Please use the enclosed envelope to make a tax-deductible contribution to HAVEN. Your funds will help us provide essential services to people in crisis.
